Use a Rōnin Code

Enable two-factor authentication

For added security, you can enable two-factor authentication on your account. Two-factor authentication uses a token that is generated from your phone in addition to your account password, so even if your password is stolen, your account is still protected.

To increase your security, [enable two-factor authentication](#) now.

Install Silent Phone

Install Silent Phone on your [iOS](#) or [Android](#) device.

[Terms & Conditions](#) | [Privacy policy](#) | v0.18-rc4

- You will then be prompted to pick a phone number for you Silent World account
